

Vocabulary A-Z has  
over **14,000 words**  
just a click away!

## Custom and Pre-Made Vocabulary Word Lists and Lessons

**Vocabulary A-Z** is an online resource that helps educators easily incorporate vocabulary in their day-to-day instruction. With a variety of resources, teachers can quickly create their own custom word lists with five-day lesson plans using a database of over 14,000 words or choose from a collection of pre-made vocabulary lists and lessons.

## Key Features

- **14,000+ words** that teachers select to create custom word lists.
- **Auto-generated five-day lesson plans** that teach words based on context and meaning, not memorization.
- **Special pre-made word lists** support a wide array of subject-based units.
- **Learning A-Z product connections** support Reading A-Z books, Science A-Z academic units, and various basal series.

## Downloadable Vocabulary Word Lists and Lessons

Vocabulary A-Z's database of over 14,000 words is organized into parts of speech and content area categories. Teachers can use the database to create their own custom word lists designed for all K–6 levels of difficulty. Teachers also have the ability to select their words from a series of special pre-made lists that include standards-based Academic Vocabulary, Dolch Sight Words, High-Frequency Words, and more.

## Custom Five-Day Lesson Plans and Assessments

Based on well-established vocabulary research, Vocabulary A-Z's five-day lesson plans are designed to provide the staggered strategies students need to learn and retain vocabulary words.

**Day 1:** Introduce targeted vocabulary in context.

**Day 2:** Use vocabulary in context and reinforce meaning.

**Day 3:** Introduce and apply word-attack skills.

**Day 4:** Review and apply words.

**Day 5:** Assess.
